CAPACITY BUILDING FOR DIPLOMATIC AGENTS

OUR SERVICES

The concept of capacity building for foreign diplomatic agents in France aims to provide them with effective tools and methodologies to professionalize their diplomatic practices and exercises in France and Europe.

This programme is aimed primarily to diplomatic agents wishing to accelerate a rise in skills or those who have been in the country for a long time and wish to update their knowledges : embassy counsellors, embassy attachés, international officials from foreign countries.

Modules provide to understand the French institutional, administrative and legal environment, and to acquire knowledges on the diplomatic issues related to this environment.

1

Other modules focus on diplomatic marketing, with the objective of promoting the political, economic, cultural and tourism value of the countries concerned.

2

Modules can be selected or removed. The training will be complemented by the organization of round tables and high-potential events, such as high-level meetings that contribute to the objective.
